“Snap-On Smile
has changed
my life.”

–Gigi Garcia

Easy. Painless. Beautiful!

Real cases... real results.

Covers uneven or crooked teeth

“Closes” spaces between teeth

Enhances an existing smile ruined by stains or cracks

Increases lost tooth height

Replaces missing teeth

Snap-On Smile is for
just about everyone!

Snap-On Smile is an affordable and life-changing solution for patients of all ages. Getting a Snap-On Smile simply requires two short painless visits with no drilling, no shots and no change in tooth structure.

It is an excellent choice for:

- Gaps, crooked, stained or missing teeth
- Those who are not candidates for bridges or implants
- Anyone who would like a Hollywood smile without the expense and discomfort of complex and invasive dental procedures
- Anyone who has an old-fashioned removable partial denture and wants a beautiful, more comfortable alternative

It's easy, it's painless and
you can start today

1. You pick the style and shade of your new smile
2. Your dentist takes an impression of your teeth
3. You come back in about three weeks for a final fitting and you wear your Snap-On Smile home

What is Snap-On Smile?

Snap-On Smile is a patented, easy and painless way to obtain a beautiful smile. After 8 years of extensive research and development, your dentist can now provide you with a **Snap On Smile** that is thin and strong with the look of natural teeth. You can eat and drink with your **Snap-On Smile**. It's easy to care for and can be a temporary or permanent solution. It's available for upper and lower teeth.
